Content and advertising to engage your target market

What is Receivables Info?

The Receivables Info team is led by ARM industry veterans who created a website for the industry, by the industry.

Our goal is to provide a voice to high-quality debt buyers, collection agencies, law firms, and industry veterans to share information about their businesses and their place within the marketplace and the community.

Our website is designed to provide relevant news alerts, articles, videos, and other receivables-related information to our partners, friends, and colleagues around the industry and the globe.

Receivables Info is led by receivables industry veteran Adam Parks

Adam Parks is an entrepreneur with more than 15 years' experience in the receivables management industry. His diverse background includes portfolio purchasing and trading as well as the development of systems and technology to manage the servicing of accounts. Adam has held various marketing and operations positions within the ARM industry brokerages which give him a broad set of experiences and relationships.

Adam is the CMO of debt buyer Plaza Services, a founding partner of digital marketing firm Branding Arc, and the founder of ComplyARM, a leading compliance consulting firm which was sold in 2019.
