2023 Media Kit

Content and advertising to engage the target market

What is Receivables Info?

The Receivables Info team is led by ARM industry veterans who created a website for the industry, by the industry.

Our goal is to provide a voice to debt buyers, collection agencies, law firms, and industry veterans to share information about their businesses and their place within the marketplace and the community.

Our website is designed to provide relevant news alerts, articles, videos, and other receivables-related information to our partners, friends, and colleagues around the industry and the globe.

Receivables Info is led by receivables industry veteran Adam Parks

Adam Parks is an entrepreneur with more than 15 years' experience in the receivables management industry. His diverse background includes portfolio purchasing and the development of systems and technology to manage the servicing of accounts. Adam has held various marketing, operations and compliance positions within the ARM industry giving him a broad set of experiences and relationships.

Adam served as the President of RMAI in 2022 and continues to advocate on behalf of the industry.
