Latitude
by Genesys

What **new document capabilities** does Liquid Latitude have?
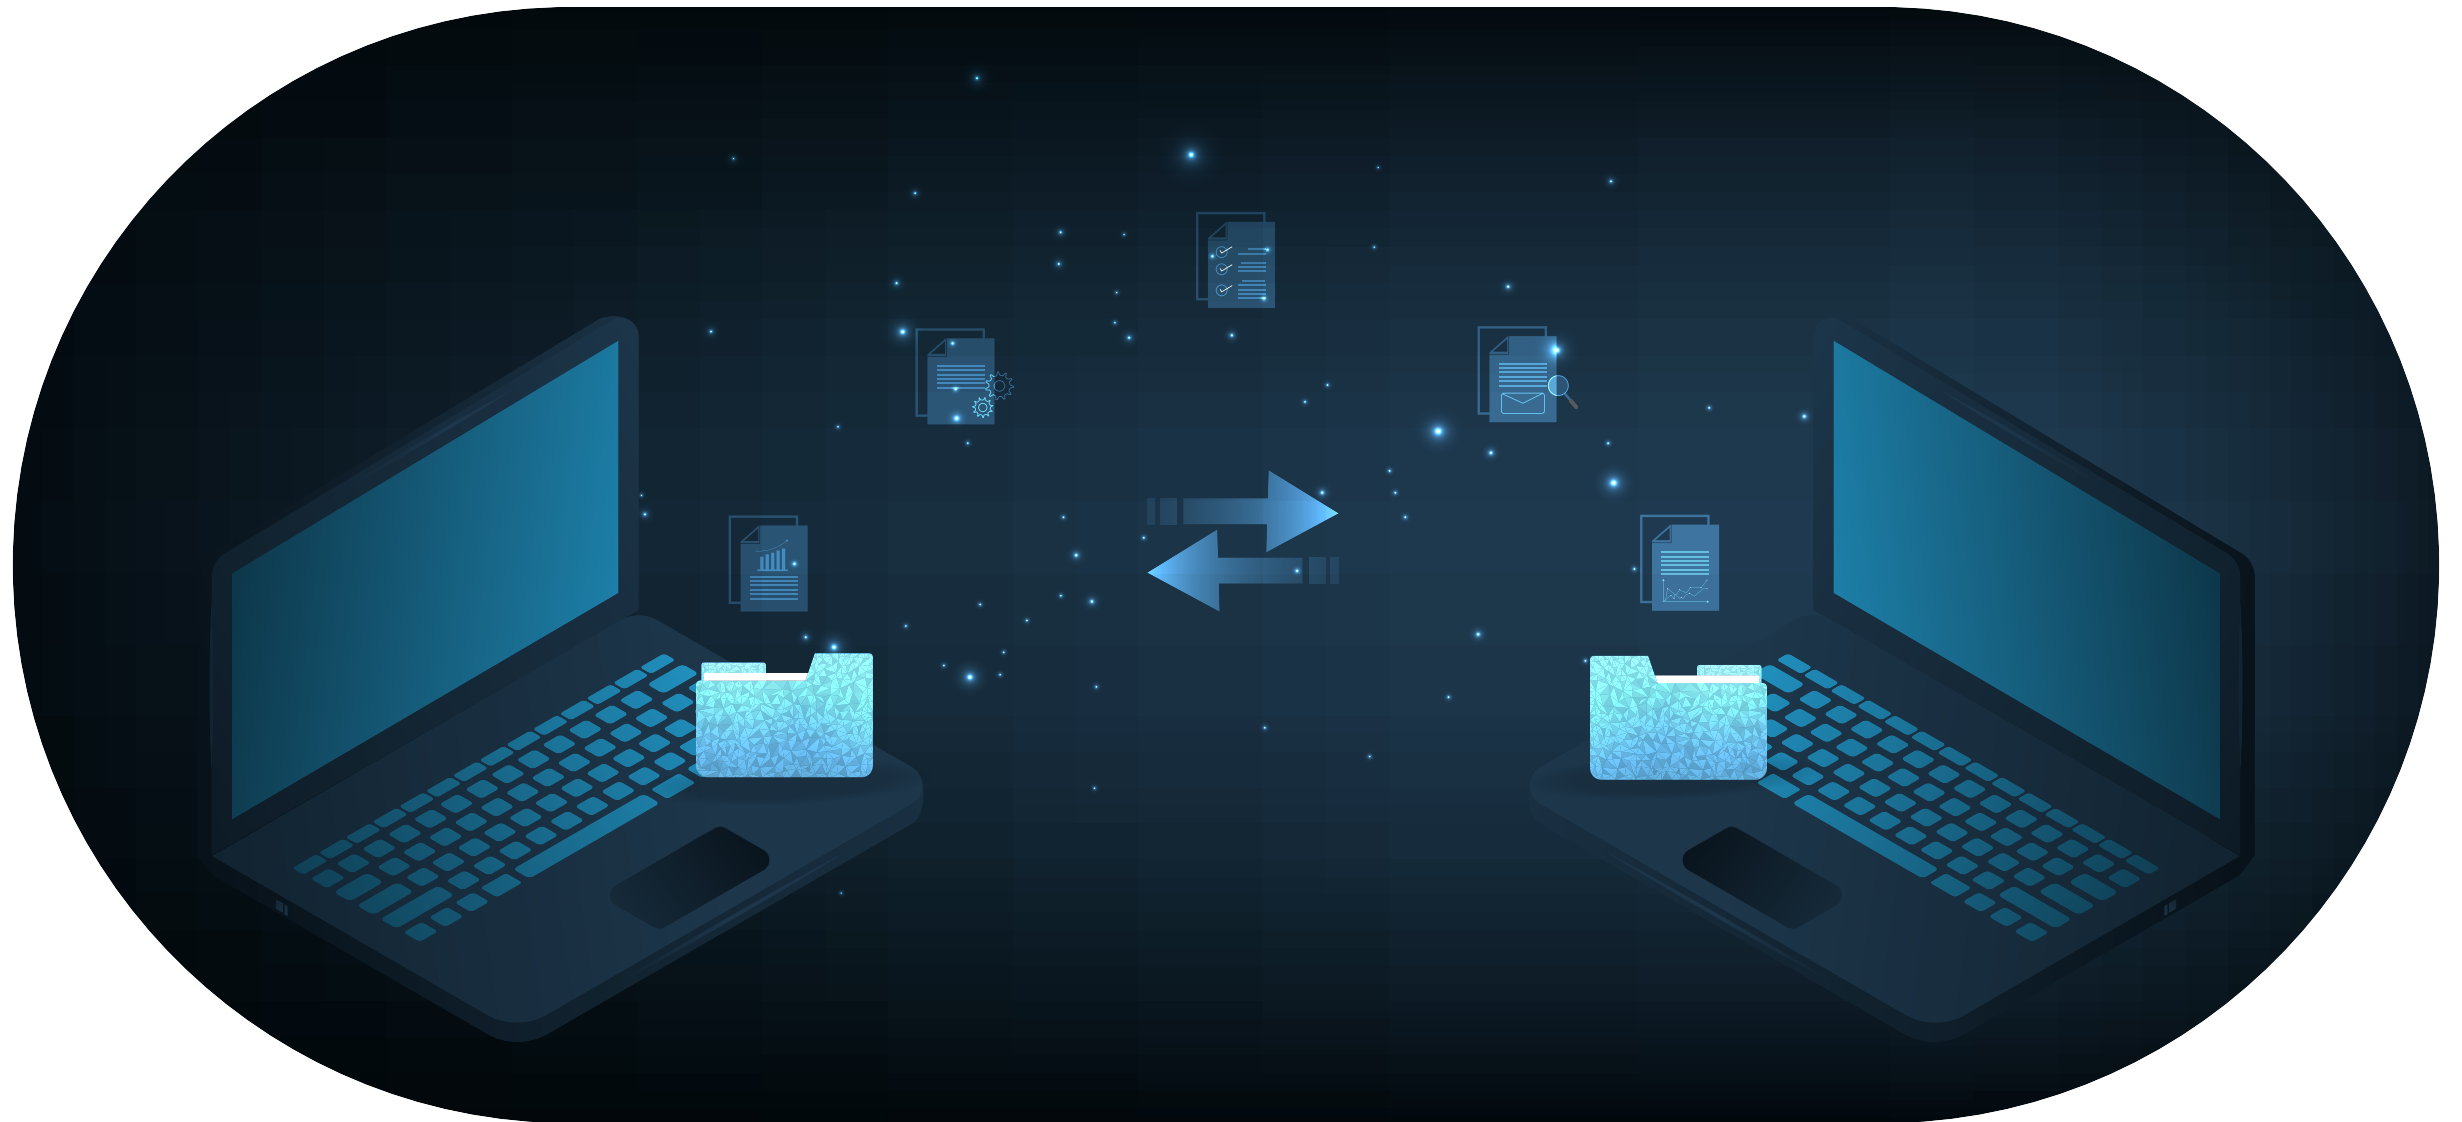

Click to find out!

GENESYS™

1) **Automate media transfer** at placement with a single transmission.

Latitude
by Genesys

2) **Request and deliver documents** with ease on the Agency-Creditor Interface.

GENESYS™

3) Create and edit accounts with **APIs in conjunction** with your application stack.

As always, our **OPEN SYSTEM** is customizable and **FLEXIBLE** for users to connect with any vendor through simple **APIs**.

ဓိၳ GENESYS™
